PRESIDENT Usman Shaukat

As I assumed the prestigious responsibility of leading the Rawalpindi Chamber of Commerce & Industry (RCCI), I pledged to uphold our Chamber's legacy of service, innovation, and advocacy for the business community. Over the past months, RCCI has remained steadfast in addressing critical issues, fostering collaborations, and driving initiatives that align with our vision of sustainable economic growth, policy advocacy, and regional cooperation. The visit of Senate Chairman Syed Yousaf Raza Gillani underscored the importance of policy continuity, an Economic Charter, and the strategic significance of industrial zones along Ring Road. Our engagement with Governor of Khyber Pakhtunkhwa Faisal Karim Kundi emphasized RCCI's pivotal role in bridging trade links with KP and Central Asia. We discussed infrastructure, economic stability, and fostering cross-border trade. We have actively engaged with key stakeholders, including Regional Police Officer Babar Sarfraz, to ensure better security measures, reduce encroachment in city markets, and improve traffic management. On the diplomatic front, our interactions with Ethiopian Ambassador H.E. Dr. Jemal Beker Abdula and the hosting of Belgian Business Contact Day demonstrated our commitment to strengthening global trade ties, fostering investment opportunities, and enhancing collaboration across borders. Environmental concerns remain a priority. We advocated for collective action against SMOG, calling for regulatory measures and sustainable practices to safeguard both our economy and public health. Lastly, addressing local business challenges remains central to our mission. The concerns raised over Bank Road vehicle closures were actively taken up with the relevant authorities to find practical and balanced solutions. I extend my gratitude to our Executive Committee, dedicated RCCI team, and all stakeholders for their tireless efforts and support. Together, we will continue to pave the way for a resilient and prosperous business community in Rawalpindi and beyond.

noted.
